# CLOPAY COMMERCIAL - MODELS 3154, 3155 **ENERGY** SERIES

## POLYSTYRENE INSULATED STEEL DOORS

Clopay Models 3154 and 3155 are high quality doors designed for commercial and industrial facilities and provide the durability of a 27 gauge exterior steel skin in an energy efficient door system.

- Bonded polystyrene insulation for enhanced comfort.
- Three-layer construction with steel and insulation for increased durability.
- 3-stage paint process delivers a virtually maintenance-free finish.
- Injection-molded lite frames with integral weatherseal are durable and seal against the elements. Many glass options available for visibility, privacy or energy efficiency.

Panels are prepainted inside and out to inhibit rust. Hot-dipped, galvanized steel is painted with primer and given a tough oven-baked polyester top coat to provide the most rust-resistant steel door available. Ten-year warranty against rust-through.
